INTRODUCING SWAROVSKI

LUXURY IS BUILT ON HERITAGE

Luxury is built on heritage. Still run by the same family five generations after Daniel Swarovski established it in 1895, Swarovski is today the global leader for superb cut crystal, a byword for brilliance. Its proud heritage of leading-edge creativity and technological innovation began in Wattens, a beautiful market town in the mountains of Austria's Tyrol region.

Today, that legacy is recognized all over the world for its distinctive style, exceptional quality, and service that is second to none. By creating premium crystal products, Swarovski has elevated gift giving to an art form—the company takes pride in designing thoughtful, appropriate, elegant business gifts, and customizable pieces that express sentiments with grace and sophistication.

1. **Daniel Swarovski**, company founder (1862–1956)
2. Swarovski's very first famous "original mouse" figurine (launched in 1976)
3. **Aurora Borealis**—the popular effect that seems to magically shimmer in every color of the rainbow (launched in 1956)
4. **Swarovski Crystal Worlds** as a gift to all consumers and fans opening in 1995

ABOUT THIS COLLECTION

LEATHER COLLECTION

The Swarovski Leather Collection offers a wide range of practical and elegant lifestyle accessories in two styles: Classic and Modern. Both are made from the finest Italian leather, embellished with sparkling Swarovski crystals in a complementary shade.

But where the Classic Collection brings timeless elegance, the Modern Collection features a more exclusive and trend-focused styling, exemplified by its new color, an ultra-luxe white.

GIFTS THAT ARE ALWAYS IN STYLE

LEATHER COLLECTION

For someone who loves to journey in style, who enjoys boutique travel experiences and appreciates life's little luxuries wherever they happen to be, a sparkling crystal memento is a wonderful way to mark a trip. For any company in the travel sector, whether airline or railway network, travel agency or cruise ships, it's simple: give a charm that reflects your business.

CLASSIC LEATHER COLLECTION

The Classic Leather Collection is made from the finest Italian leather and hand-stitched with superb craftsmanship. As functional as it's stylish, it offers a range of useful accessories for the traveler and the executive that satisfies every expectation of exceptional quality.
